

3 ACES Cattle Company
SPRING ANNUAL

SALE: APRIL 10
Open House: April 8-9

Full Deck

It has always been my dream to put a set like this together! I'm sure this set is the best representation of our 3 breed program we have ever assembled. This set takes on the true meaning "Full Deck". I think we have with in the Angus group a couple of the best Angus heifers we have ever produced. The Red Angus division is so deep, I don't even know where to start. But what might be the most impressive is the Simmental division. This is a must-see set.
